

**Name of Club:** Beginners Chess Club

**Age Group:** Key stage 1 ( Year 1 - Year 11)

**Day:** Monday

**Type of Activity:** School Enrichment

**Location:** Man 1

**Teacher:** Mr. PS Lim

**Equipment Required:** Chess set (provided by SIS)

**Cost (if any):** \$290

**Description of Activity (including goals):**

Students will learn about the rules of chess, names of chess pieces and where they can move, how to use different pieces and strategies to their advantage, how to think a few moves ahead and how to force opponents to move where they want them to. Students will utilise and apply these skills through practice in friendly, non-competitive games against other students. PS Lim is a Chess instructor from the Penang Chess Association.

**Final Outcome:**

The Chess Club is an opportunity for students to practice their skills. During club days students will pair up and play chess. Students will also have an opportunity to compete in Chess competitions that will be held externally during the year.

**Name of Club:** Wushu

**Age Group:** Keystage 1 ( Yr 3-6)

**Day:** Monday

**Type of Activity:** N/A

**Location:** Fitness Suite

**Teacher:** Mew Hong Sutton (Instructor)

**Equipment Required:** Comfortable and appropriate clothing

**Cost (if any):** RM 270 plus a Compulsory annual membership fee of RM30 and official Wushu outfit (t-shirt, long pants and footwear) for RM80. Students have the choice of performing gradings for an additional cost (if they pass).

**Description of Activity (including goals):**

Wushu (also known as Kung Fu or Gong Fu) is Chinese martial arts, both with and without equipment. Students learn how to unlock and utilise both their physical and mental potential through the practice of empty-handed and weapons skills, both alone and with a partner. Although self-defence skills are naturally developed through this process, the true aim of Wushu training is to develop into a person who is able to solve problems and stop conflict. Mew Hong Sutton has been studying and practising martial arts for three decades and has earned instructor ranks in both traditional Chinese, Malay and Thai martial arts. She is the President of Zhong Ding International Traditional Martial Arts Association and holds the Degree of Master, conferred by the Malaysian Association of Grandmasters of Martial Arts, and a Diploma in teaching martial arts from the Malaysian Ministry of Human Resources.

**Final Outcome:**

Through training the student aims to become self-motivated and self-disciplined, physically fit, mentally balanced and ethically focused so that they might protect those weaker than themselves and serve society. Students will have the chance to advance to the next belt level through an official grading by the instructor (voluntary).

**Name of Club:** Islamic Studies

**Age Group:** Key stage 1-3 (Years1-11)

**Day:** Monday and Thursday

**Type of Activity:** School Enrichment/ Culture

**Location:** TBC

**Teacher:** Ms Rabiah

**Equipment Required:** Pen, pencils, Islamic story book, stationery, etc.

**Cost (if any):** None

**Description of Activity (including goals):**

The objective of the activity is to provide students with a rudimentary knowledge of major subfields within Islamic Studies, such as those pertaining to the Qur'an and its exegesis, to the life and legacy of Muhammad, to law and legal theory, and to theology and mysticism. A final area of attention will be pedagogy in Islamic studies, the objective here being to help prepare students to teach courses on Islam. Students with Arabic language ability can expect to do work in Arabic primary texts.

**Final Outcome:**

This activity refers to the analytical exegesis of Qura'n. It covers some specified Soorahs comprising both the Makkan and Madinan Soorahs of Qur'an. The course develops and improves the techniques of understanding Qur'an directly from the text. Research based interpretation of those Soorahs is followed in lectures to prepare the students to carry it out themselves for the rest of the Qur'an. The key tasks include looking at the Soorah as a whole, finding out the coherence of verses from the beginning till the end, describing the type and group of verses, and exploring how the end returns to the beginning as a mark of a complete speech. It further explores the rulings and commands especially in Madinan Soorahs with the help of other relevant verses found in different Soorahs leading the students to the accurate and true interpretation of the verses and Soorahs.

Bahasa  
Malaysia

**Name of Club:** Bahasa Intensive Class

**Age Group:** Key Stage 1

**Day:** Monday

**Type of Activity:** School Enrichment

**Location:** Year 2H(Room 208)

**Teacher:** Ms. Rukhsana

**Equipment Required:** Stationary

**Cost (if any):** None

**Description of Activity (including goals):**

Students will learn more about suku kata, read simple sentences, sing songs and play games to enhance learning. Students will complete several independent writing (simple sentence construction) activities to aid in their written work.

**Final Outcome:**

Students will be able to excel in their suku kata skills and move closer to conversing in Bahasa fluently. Students will be able to understand Bahasa Malaysia in a fun environment.

**Name of Club:** Fun with Vocabulary in English

**Age Group:** KS 1

**Day:** Monday

**Type of Activity:** School Enrichment

**Location:** Class 204

**Teacher:** Ms. Shanti

**Equipment Required:** scissors, glue, paper

**Description of Activity (including goals):**

Inspired by the Many Faces vocabulary activity, students will piece together fun and interesting faces and then describe each feature using vocabulary words. This is especially fun when students are feeling a bit zany while create motley faces for their amusement as well as their learning.

**Final Outcome:**

The students will be able to have fun while improving their English vocab through a range of highly interactive activities and games. Students will take part in discussions and games to understand the importance of words.

**Name of Club:** Fun Reading in Mandarin

**Age Group:** Key stage 1- only for students taking Mandarin as 1<sup>st</sup> Language

**Day:** Monday

**Type of Activity:** School Enrichment

**Location:** EAL1

**Teacher:** Ms Heng

**Equipment Required:** TBA

**Description of Activity (including goals):**

“Fun Reading in Mandarin” aims to provide opportunities for students to learn Mandarin through conversation and story. Students will listen to stories read by the teacher. Students will then share and discuss content to complete activities including role play, art work or drawing.

**Final Outcome:**

Through interpretation and activities, students will have more opportunity to use Mandarin in a real life setting and will continue to improve their Mandarin communication skills.

**Name of Club:** Aerobic  
and Year 2 (KS1)

**Age Group:** Year 1

**Day:** Monday

**Type of Activity:** Sport

**Location:** Malaysian Studies (408)

**Teacher:** Ms.Gowri

**Equipment Required:** NIL.

**Cost (if any):** NIL

**Description of Activity (including goals):**

Students will learn a range of aerobic routines to variety of inspiring music and themes. Aerobic exercise (also known as cardio) is physical exercise of low to high intensity that depends primarily on the aerobic energy-generating process.

**Among the recognized benefits of doing regular aerobic exercise are:**

- Strengthening the muscles involved in respiration, to facilitate the flow of air in and out of the lungs
- Strengthening and enlarging the heart muscle, to improve its pumping efficiency and reduce the resting heart rate, known as aerobic conditioning
- Improving circulation efficiency and reducing blood pressure
- Increasing the total number of red blood cells in the body, facilitating transport of oxygen
- Improved mental health, including reducing stress and lowering the incidence of depression, as well as increased cognitive capacity.

**Name of Club:** Malaysian Food

**Class:** KS1

**Day:** Monday

**Type of Activity:**

**Location:** 207

**Teacher:** Mr Qairul

**Equipment Required:** None

**Cost (if any):** None

**Description of Activity (including goals):**

The objective is to stimulate an interest into reading Bahasa Malaysia and English using games that focus on different types of food including reading recipes and food groups. Students will learn to read Bahasa and English words through a range of practical and hands on fun activities.

**Final Outcome:**

Students will have more opportunities to enhance their knowledge and understanding of different food within Malaysia.

# tae kwon do

[www.phisoced.com](http://www.phisoced.com)

**Name of Club:** Tae Kwon-Do

**Age Group:** Years 1 to 11

**Day:** Tuesday

**Type of Activity:** N/A

**Location:** MPH

**Teacher:** Alvin Aw (Instructor)

**Equipment Required:** Comfortable and appropriate clothing

**Cost (if any):** RM230. Students have the choice of purchasing official Tae Kwon-Do outfits, badges, belts and performing gradings for an additional cost.

**Description of Activity (including goals):**

Students shall take part in several activities led by 5th Degree black belt instructor, Alvin Aw, who has over 23 years of experience in Tae Kwon-Do and is a former Malaysia National champion. Students shall learn the basic moves of Tae Kwon-Do that includes blocking, punching and kicking and shall improve their technique in these movements. Students shall learn self-control through a variety of set movements known as patterns and will use different equipment to punch and kick a target. As they progress, students shall also take part in friendly sparring activities with little or no contact, wearing the necessary protective equipment.

**Final Outcome:**

Students shall learn self-control, perseverance, techniques in punching and kicking a target safely, and how to defend themselves or others. They shall gain several health benefits that include flexibility, mobility, leg power and strength, hand eye co-ordination, reaction time, aerobic and anaerobic fitness and core strength. Through the philosophy and ideals of Tae Kwon Do, students shall learn to be more patient, calm and honourable. Students of Tae Kwon Do are taught that it is an art form meant for defence of oneself or others, never to cause an attack. Students will have the chance to advance to the next belt level through an official grading by the instructor (voluntary).

**Name of Club:** Intermediate Chess Club

**Age Group:** Years 1 to 11

**Day:** Tuesday

**Type of Activity:** School Enrichment

**Location:** Year 5 (Room 211)

**Teacher:** Mr. PS Lim

**Equipment Required:** Chess set (provided by SIS)

**Cost (if any):** 360RM

**Description of Activity (including goals):**

Students will learn about the rules of chess, names of chess pieces and where they can move, how to use different pieces and strategies to their advantage, how to think a few moves ahead and how to force opponents to move where they want them to. Students will utilise and apply these skills through practice in friendly, non-competitive games against other students. PS Lim is a Chess instructor from the Penang Chess Association.

**Final Outcome:**

The Chess Club is an opportunity for students to practice their skills. During club days students pair up and play chess. Students will also have an opportunity to compete in Chess competitions that will be held externally during the year.

**Name of Club:** FUN damentals in Sport

**Age Group:** Key stage 1

**Day:** Tuesday

**Type of Activity:** Sport

**Location:** Basement

**Teacher:** Ms Heng

**Equipment Required:** PE Kit

**Description of Activity (including goals):**

Students will learn fundamental gross motor skills through a variety of fun games. Games will be played with a varied source of equipment to challenges little athletes. Players will improve accuracy when throwing towards a target to avoid obstacles. They will learn about using strategies to play games with equipment including balls, hula hoops and skipping ropes.

**Final Outcome:**

Students will have a chance to relax after whole day study through sport. They will concentrate and challenge themselves to improve accuracy when they try to score point in the games and understand the importance of team work and problem-solving skills.

**Name of Club:** Motor Skills Club

**Age Group:** Key Stage 1

**Day:** Tuesday

**Type of Activity:** Creative

**Location:** Room 208 (2H classroom)

**Teacher:** Ms. Hannah

**Equipment Required:** None

**Description of Activity (including goals):**

Motor Skills Club is an opportunity for children in Key Stage One to practise using their fine motor skills. Children will practise techniques that will aim to develop their basic hand movement and strengthen key muscles. This will be done through a variety of activities, such as: cutting and sticking, squeezing a ball, throwing and catching a ball, dot-to-dot. This activity will also incorporate an element of art through the medium of collage.

**Final Outcome:**

Students in this club will practise their fine motor skills which will help develop strength in day to day activities. It is a fun and engaging way of practising simple techniques that can be used in everyday day life from holding a pencil to using a fork and spoon.

**Name of Club:** Playdoh Sculpture

**Age Group:** Keystage 1

**Day:** Tuesday

**Type of Activity:** Creative

**Location:** Reception 1(110)

**Teacher:** Ms. Kamini

**Equipment Required:** Playdoh

**Cost (if any):** RM20/-

**Description of Activity (including goals):**

Each week the students will be given a different theme to focus on while planning, designing and creating their Playdoh Sculpture. Themes include solar system, plants and animals, significant buildings such as the Taj Mahal.

**Outcome:** Through a range of themes students will develop creative skills through the development and planning stage while improving their fine motor skills during the construction phase.

**Name of Club:** Comic Strip Club

**Age Group:** Key stage 1

**Day:** Tuesday

**Type of Activity:** Creative

**Location:** Room 403

**Teacher:** David Geary

**Equipment Required:** n/a – all materials will be provided by the teacher

**Description of Activity (including goals):** The students will learn the basics of storytelling and story writing. They will learn how to write short comic strips in different genres through a mixture of text and illustrations to help improve both their vocabulary and writing skills.

**Final Outcome:** The pupils will plan, write and illustrate comic strip stories each week within different genres to express their creativity and improve their literacy skills.

**Name of Club:** Horrible Histories club

**Age Group:** Key stage 1

**Day:** Tuesday

**Type of Activity:** Creative

**Location:** Room 507

**Teacher:** M Wallace

**Cost if any :** RM20/-

**Equipment Required:**

Pupils will need to pay the cost of 20RM so materials can be sourced for the end of term project on the Ancient Egyptians.

**Description of Activity (including goals):**

Students will learn about the Ancient Egyptian period, who was involved, how rites of birth and death were treated and the differences between the lives of the Egyptians and our lives today. Students will then utilise and apply this information learned through the creation of a large team project that encompasses what made the era so 'Horrible'.

**Final Outcome:**

The Horrible Histories club is an opportunity for students to practice their research, team building and creative skills. During a club day students will pair up and work together to discover and create an outstanding project showcasing their knowledge on the Egyptians.

**Name of Club:** Beginners and Intermediate Ballet

**Age Group:** Keystage 1 (Yr 1 - 2)

**Day:** Wednesday

**Type of Activity:** Ballet

**Location:** Fitness Suite

**Teacher:** Ms. Lim ( My Dance Station)

**Equipment Required:** Compulsory (unless already owned) – Ballet shoes RM75 & Socks RM12.  
Optional – Leotard outfit RM70 & Skirt RM35

**Cost (if any):** RM230 (not including clothing/equipment)

**Description of Activity (including goals):**

Ballet is fun no matter how old you are or what goals you wish to accomplish through ballet. Becoming a ballet dancer can be as simple as practising moves in your bedroom; or as complex as becoming a major dancer in a ballet company. All ballet dancers have one thing in common: a love of the grace, beauty and discipline of ballet. My Dance Station will be offering beginner ballet classes to students in Reception to Year 2.

**Final Outcome:**

Ballet is a beautiful, graceful & incredibly precise form of physical and artistic expression. Learning ballet brings a joy of movement to music and an elevated sense of physical awareness.

**Name of Club:** Handwriting Club

**Age Group:** Key Stage 1

**Day:** Wednesday

**Type of Activity:** School Enrichment

**Location:** Room 208 (2H classroom)

**Teacher:** Ms. Hannah

**Equipment Required:**

Phonics/ Handwriting Book

**Description of Activity (including goals):**

Handwriting Club is an opportunity to help develop a neat handwriting style. Children practise writing slowly and with line boundaries while focussing on their letter formation and finger spacing. Once children are able to form letters, words and sentences neatly, they will progress onto cursive handwriting.

**Final Outcome:**

Children in this club will have practise the fundamental skills of handwriting including, pencil grip, letter formation and the joins for cursive handwriting.

**Group:** KS 1

**Day:** Wednesday

**Type of Activity:** School Enrichment

**Location:** Room 107 (Nursery)

**Teacher:** Ms. Devi

**Materials Required:** Stationeries

**Cost:** None

**Description of Activity:**

Students will learn and revise the initial phases of various phonics programs which incorporates resources such as the interactive whiteboard, handouts, games and flashcards. They will use their reading and writing skills, as well as collaborate in tasks. They will be taught how to learn various phonics sounds with ease.

**Final outcome:**

The students will focus on the initial phases of the phonics sounds like the initial sounds, consonant vowel consonant words, as well as high frequency words. This will see the students fluency in reading and writing.

**Name of Club:** Fun with Maths

**Group:** KS1

**Day:** Wednesday

**Type of Activity:** School Enrichment

**Location:** Reception S (Room110)

**Teacher:** Ms. Serene

**Materials Required:** -None-

**Cost (if any):** - None-

**Description of Activity (including goals):**

Many times we conclude Math lessons as boring but not in this club! Children will learn Mathematical concepts through games and puzzles. They will also be challenged to think critically using resources and they will also be challenged to solve problems independently and collaboratively.

**Final Outcome:**

Children will have fun learning Maths through hands-on activities and IQ puzzles.

**Name of Club:** Buddy Reading

**Age Group:** KS1

**Day:** Wednesday

**Type of Activity:** School enrichment

**Location:** Design and technology (506)

**Teacher:** Ms. Nurin

**Equipment Required:** Projector, story books

**Cost (if any):** None

**Description of Activity (including goals):**

Each week the students will be introduced to different short stories and fables from all around the world. They will be paired with secondary student as their buddy and will read together to complete different activities related to the stories, discuss how to do a book review and share their favourite stories. The students are expected to work creatively and as teams.

**Final Outcome:**

By the end of the term, the students will continue to develop their social, listening, speaking and also their literacy skills. They will also be familiar with new vocabulary and use them in their daily conversations.

**Name of Club:** Design and Technology club

**Age Group:** Key stage 1

**Day:** Wednesday

**Type of Activity:** School enrichment

**Location:** 1M - 205

**Teacher:** Mr Myron

**Equipment Required:** Provided by SIS

**Description of Activity (including goals):**

Students will learn the basic aspects of the design process while creating prototypes for a chosen purpose to inspire creative ideas. Drawing designs, constructing, testing and evaluating will be explored throughout the term. An emphasis will be given to the development of fine motor skills required to assemble the student's products. We will also be working towards developing student's language through discussion and evaluation of designs.

**Final Outcome:**

Students will complete a range of activities to explore different aspects of the design process and will create a product based on their design.

# Robots 2U

**Name of Club:** Robots 2U

**Age Group:** Key stage 1 ( Years 1-2)

**Day:** Thursday

**Type of Activity:** N/A

**Location:** Robots 2U Centre

**Teacher:** Mr. Yew (Travel with)

**Equipment Required:** Provided by Robots 2U

**Cost (if any):** RM 340

**Description of Activity (including goals):**

Students will complete the First Encounter and LEGO® WeDo Education programme and discover the exciting world of LEGO robotics, which includes: Introduction to Robotics; and Machine and Mechanism Concepts. Students will get to build, program and test robot models within four themes: Amazing Mechanisms; Wild Animals; Play Soccer; and Adventure Stories. Students who have previously completed this course will get the opportunity to complete some new activities.

**Final Outcome:**

Benefits of this course are that it: Provides a stepping stone for introducing the basics of robotics; enables students to build and program simple LEGO® models that are plugged into a computer; provides a working understanding of the principles of simple machines, gears, levers, pulleys and transmission of motion; explore the functions of motor, motion and tilt sensors; and introduce technology into curriculum areas such as science and maths.

**NB – Students in this club will travel to Robots 2 U on the school bus at 2.30pm and will be collected by the travelling teacher. They will arrive back to Straits at approximately 3:45pm.**

**Name of Club:** Aikido

**Age Group:** Years 1 -11

**Day:** Thursday

**Type of Activity:** N/A

**Location:** Fitness Studio

**Teacher:** Mr JM Pang (Instructor)

**Equipment Required:** Participants have the option to wear other martial art uniform if already purchased (Official Aikido attire or T-shirt and Long Pants)

**Cost (if any):** RM300

(if you choose to continue you may like to purchase the official Aikido Outfit from your instructor – please confirm with Mr Pang)

**Description of Activity (including goals):**

Aikido offers practical self-defence based upon principles of non-aggression, non-resistance and non-competitiveness. It is a modern Japanese Martial Art for modern life. Aikido promotes health, self-defence and development of the Mind, Body and Spirit.

The instructor Mr Pang, holds a three Dan Aikido black belt (certified by Aikikai Aikido World Headquarters, Japan). Mr Pang has been Teaching Aikido since 2004 under Malaysia Aikido Association, MAA. He is currently the highest ranking MAA Aikido instructor in Penang and the chief instructor of Penang Dojo Conducted Aikido and Self-Defence classes to more than hundred students aged 5 until 65 years old from many countries. He is one of the pioneers in Aikido Coaching - Level 1 certification program (National Coaching Certification Scheme, certified by National Sports Council of Malaysia).

**Final Outcome:**

Through training the student aims to become self-motivated and self-disciplined, physically fit, mentally balanced and ethically focused so that they might protect those weaker than themselves and serve society.

**Name of Club:** Zumba

**Age Group:** Year 1 and 2 (KS1)

**Day:** Thursday

**Type of Activity:** Action

**Location:** Year 4 (Room 210)

**Teacher:** Ms. Rukhsana

**Equipment Required:** None

**Cost (if any):** None

**Description of Activity (including goals):**

Zumba is a highly physical activity and kids who take Zumba lessons regularly should expect to see a significant improvement in their overall physical health. Regular dance practice can increase your child's flexibility, range of motion, physical strength and stamina. The repetitive movements involved in Zumba can improve muscle tone, correct poor posture, increase balance and coordination and improve overall cardiovascular health. Zumba is an aerobic form of exercise. Zumba lessons can encourage children to foster a more positive attitude and explore their own self-expression.

**Final Outcome:**

Throughout this activity, students will learn how to: follow directions; co-operate with each other, work in a team; interact both physically and verbally with each other; develop better body-music co-ordination, rhythm sense and balance; control their bodies better; develop confidence to perform in public once they perform; and feel relaxed and have fun.

**Name of Club:** Crafty Creations

**Age Group:** KS 1

**Day:** Thursday

**Type of Activity:** School Enrichment

**Location:** Nursery (107)

**Teacher:** MS. KAMINI

**Equipment Required:** NONE

**Cost (if any):** None

**Description of Activity (including goals):**

One of the most important ways we can help our children while playing with them at home or in a childcare/ classroom setting is through setting up simple activities that help to develop fine motor skills. While making craft and inspiring creative mind through activities young children need to be able to hold and use scissors and pencils appropriately before using them in a classroom context. There are plenty of easy ways to strengthen these muscles, practise co-ordination and develop hand: eye co-ordination using simple, everyday materials and a bit of creative fun!

**Final Outcome:**

In the end, the children able to control their hand, fingers and thumb while using their minds and to create masterpieces. Each week they will have a new theme to inspire them to design and prepare crafty creations.

**Name of Club:** Kids Yoga

**Group:** KS1

**Day:** Thursday

**Type of Activity:** Action

**Location:** Reception (Room111)

**Teacher:** Ms. Arlene

**Materials Required:** IWB, PE Kit

**Cost (if any):** - None-

**Description of Activity (including goals):**

Yoga is an ancient system of breathing practices, physical exercises and postures, and meditation intended to integrate the practitioner's body, mind, and spirit. The various physical and mental disciplines of yoga were seen as a method for individuals to attain increase attention, concentration, flexibility, and release stress using specified techniques.

Yoga at an early age encourages self-esteem and body awareness with a physical activity that's non-competitive. Fostering cooperation and compassion-instead of opposition-is a great gift to give our children.

**Final Outcome:**

Yoga provides a fun-filled, non- competitive environment for children to: gain strength and flexibility of mind and body; improve attention and focus, within themselves and their environment; expand their social skills and language development; gain self-confidence, self-awareness, self-esteem, self-respect and self-control; be creative and open, receptive and have a peaceful heart, increasing appreciation for oneself and others.

**Name of Club:** Poco POCO Dance

**Age Group:** KS 1

**Day:** Thursday

**Type of Activity:** Action/Sport

**Location:** Class 204

**Teacher:** Ms.Shanti

**Equipment Required:** PE clothes

**Description of Activity (including goals):**

**Name of Club:** Primary Student Council

**Age Group:** KS1

**Day:** Friday

**Type of Activity:** School Enrichment

**Location:** TBA

**Teacher:** Ms Lisa

**Equipment Required:** None

**Cost (if any):** None

**Description of Activity (including goals):**

This activity is exclusively for those students who have been elected as council representatives for their homeroom class. Elected representatives must choose the student council as their activity on this day.

The role of the representatives is to accurately communicate the views of their classmates, discuss issues related to the school experience from the student perspective and to generate ideas that are both realistic and practical for improvement of the school. Some students will be elected to positions of responsibility within the council, such as President, Secretary and Treasurer. Others will be asked to lead small groups on specific initiatives.

**Final Outcome:**

Participation on the school council will enable students to develop cross-curricular skills such as leadership, communication and problem-solving. Students should become more self-confident and ready to take the initiative.
